

# David Jimenez Salcedo

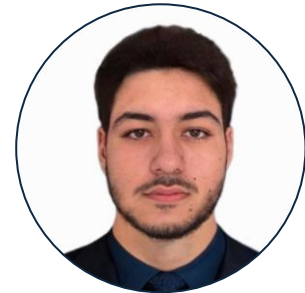

Computer Engineering Student | Offensive Cybersecurity | Pentesting | Linux

**Address:** C/ Cuba nº 9, Las Ventas de Retamosa (Toledo)

**Phone:** +34 646 736 205

**Email:** [dsalcjim@myuax.com](mailto:dsalcjim@myuax.com)

**LinkedIn:** [www.linkedin.com/in/david-jimenez-salcedo](https://www.linkedin.com/in/david-jimenez-salcedo)

---

## Professional Profile

Computer Engineering student at Universidad Alfonso X el Sabio (UAX), with additional training in offensive cybersecurity and systems administration. Highly motivated to start a professional internship where I can apply and further develop my knowledge in penetration testing, offensive security, and Linux systems management.

---

## Education

- **2023 – Present** — B.Sc. in Computer Engineering, Universidad Alfonso X el Sabio (UAX)
- 

## Additional Training

- **September 2025** — *Penetration Tester Job Role Path*, Hack The Box.
  - **August - September 2024** — *LPIC-1 101* (Linux Professional Institute).
  - **November 2024** — *Ethical Hacker Course*, CISCO (70 hours).
  - **February 2024** — *II Cybersecurity Month*, Universidad Alfonso X el Sabio (UAX).
  - **July - August 2023** — *Cybersecurity Course: Security from a Business and Technical Perspective*, Instituto Europeo de Asesoría Fiscal. (200 hours). Certified by Universidad de Nebrija.
- 

## Skills and Technical Knowledge

- Advanced Linux administration and usage (LPIC-1 training).
- Fundamentals of cybersecurity and penetration testing methodologies.
- Practical knowledge of basic ethical hacking techniques and vulnerability assessment.

- Familiarity with cybersecurity learning platforms (e.g., Hack The Box).
  - Knowledge of networking concepts, TCP/IP models, and perimeter security.
  - Fast learner, able to adapt to new tools and technical environments quickly.
- 

## Tools and Technologies

- VMWare Workstation / VirtualBox
  - Kali Linux / Ubuntu / Debian
  - Nmap, Impacket, Burp Suite, Netcat, Metasploit Framework, Hydra, Medusa, Wireshark, Proxycat, Ldapsearch, BloodHound...
  - Cisco Packet Tracer
- 

## Additional Information

- **Availability:** Immediately.
- **Career interests:** Penetration Tester, Ethical Hacker, or Red Team.
- **Driving license:** Type B (own vehicle).
